

## 2012 Ski Outing – Caberfea Peaks

We have a package deal of \$118.00 per person which includes \$10.00 for the cost of gas.

This price includes ski rental, lift ticket, helmet for all day Saturday, and 5 meals, 3 on Saturday and 2 on Sunday. All Scouts must wear a helmet, this is a new rule from the National office for 2012.

We will be staying in the dorm again, below the main lodge, which also gives us access to the pool and hot tub. There is the option to ski on Friday night, until 10:00 p.m and Sunday morning, from 9:00 am to 1:00 p.m. The cost is \$13.00 extra for each day.

We need to have a minimum of 20 skiers for this trip. If we meet that minimum, any adults who wish to go, but not ski can do so for \$70.00.

Our plan is to meet at the church at 4:15 and leave at 4:30 on Friday February 17th. A late vehicle **may** bring up scouts who cant be there at 4:15.

Scouts should bring along a dinner to eat on the way north (or eat before arrival).

We will travel in Class A shirts.

We will spend the weekend at Caberfae Peaks, west of Cadillac. <http://caberfaepeaks.com/>

### Gear List:

Here's the gear you'll need for the weekend:

- Lots of warm/dry winter gear including snow pants and boots and several pairs of socks. Make sure to bring extra waterproof gloves, winter hat, etc. Leather palm gloves work better on rope tows. Ski goggles or wrap around sun glasses are nice if it is snowing. A warm scarf or other neck and face protection works great for windy and cold conditions. Remember the importance of layering and try to avoid cotton as much as possible. Please do not plan on wearing jeans while skiing, you will be one large icicle by noon on Saturday.
- Your BSA Handbook and any partial MBs you want to work on over the weekend, cards and other non-electronic games for playing indoors. Make sure your name is on all this gear!
- Please Remember to bring a water bottle
- Bathroom bag , swimming trunks and a towel for the pool. Sleeping bag/blankets, pillow and a sleeping pad. We will be sleeping in The lodge basement, there may not be enough beds for everyone.

Don't bring electronic devices, unless you want them for the 2.5 hour ride each way.

DON'T bring a cell phone unless you've made arrangements ahead of time with Scoutmaster Walser.
